WORDS OF WISDOM

“Confidence... thrives on honesty, on honor, on the sacredness of obligations, on faithful protection and on unselfish performance. Without them it cannot live.”

Br. Franklin D. Roosevelt

“Now this is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning.”

Br. Winston Churchill

From the East

Good Day Brothers,

Hello and thank you for electing me your Worshipful Master for the year 2018. It is my pleasure to serve you and the craft in this leadership position. Also, a massive thank you to our returning and new officers for this year. It is only through a strong brotherhood does Masonry continue into the future.

We have a lot happening already this year including a Master Mason Degree and an Entered Apprentice Degree in January. Be sure to check the calendar for details.

With the new year comes an excellent time to stop and reflect on yourself. Think about the working tools of each degree and ask yourself how you can better use them each day.

- Are you using the Twenty Four Inch Gauge to divide your time between service to God and a distressed worthy brother, your usual vocation and refreshment?
- Are you working to chip off the vices and superfluities of life from your heart and conscious with the Common Gavel?
- Are you walking upright in the eyes of God and man with the Plumb?
- Are you applying the Square of Virtue to all your dealings with other men and Masons?
- Do you keep in mind the brevity and preciousness of life, remembering that you are ever traveling forward upon the Level of Time?
- Are you spreading the cement of Brotherly Love and affection with the Trowel, putting that noble contention, or rather emulation, above all else?

By applying the working tools to your day to day transactions you become a better man and Mason in your heart and in society abroad.

Here's to a fantastic 2018 Brothers!

Fraternally,

Justin Max Kunst

Worshipful Master

BROTHERLY LOVE

You may have heard that even when pitted against each other in war, Masonic Brothers refuse to fight each other. That is because we carry with us a deeply engraved sense of Brotherly Love which overshadows race, religion, politics and country lines. It brings together those who would, by all other means, have no common grounds to meet upon.

RELIEF

To give relief to another brother, or any other person for that matter, is one of our great aims as Masons. When sad, confused, or overwhelmed how often do you wish you had someone there to reach out a hand to? You can be that person to others. If you hear a brother is having difficulties at their job, give them a call. If a brother is hurt or in the hospital, visit them or offer them a ride to Lodge. Whatever we can do for a poor or distressed worthy Brother is our duty to perform, as long as we can without material injury to ourselves.

TRUTH

Truth is described as the “divine attribute” within our EA lecture. By always speaking and acting with truth we negate hypocrisy and deceit. We are distinguished from nearly all others by our adherence to truth and our plain dealings with others on a day to day basis.
