

# JOHN GRAY ANNUAL GOLF TOURNAMENT

---

**Date: November 22, 2025**

The Martin County Masons, through Acacia Lodge No. 163, are very proud to have donated over 245,000 in scholarships to high school students in Martin County since 1987.

Today, there are more than four million Freemasons around the world, from virtually every occupation and profession. Within the fraternity, everyone meets as an equal. One of the most fascinating aspects of the fraternity has been how so many men, from so many walks of life, can meet together in peace, ignoring political or religious debates, conducting their affairs in harmony and friendship, and call each other "Brother".

Freemasons are taught to conform to the moral laws of society and to abide by the laws of the government under which they live. They are men of charity and good works.

We wish all the best to the Graduating Class of 2025 *here* in Martin County and we want you to know we support you, and look forward to your achievements and community leadership!
